

# The President's Desk...

Dear Ladies,

As we head into the season of celebrations, let us all be thankful for the blessings we have received this past year. Remember the importance of casting your vote; you have all received the information sent by the bishops of Richmond and Arlington to help you in making a wise decision.

I believe in the sun, even though it doesn't shine....

I believe in love, even when it isn't shown....

I believe in God, even when He doesn't speak.
